

EMOTION CODE and BODY CODE DISCLAIMER:

The Emotion Code, as well as the Body Code System, as taught by Dr. Bradley Nelson, (hereinafter called "these methods"), and as practiced by Frances Amaroux BA Psych, Emotion Code Practitioner - seeks to identify and eliminate underlying imbalances by releasing energetic imbalances in the areas of energy, circuitry, pathogens, structure, toxicity, and nutrition. These methods of energy healing promote harmony and balance within, relieving stress and supporting the body's natural ability to heal. Energy healing such as these methods is widely recognized as a valuable and effective complement to conventional medical care. Releasing trapped emotions, or the correction of any other energetic imbalance using these methods is not a substitute for medical care.
